Sep 11, 2018, 11:14 PM Sep 12, 2018, 4:25 AM Hell no What the hell happened to you man Zoe really fucked you up, you used to be cool Paranoid as anything, worried about dumb shit, falling for whatever. Sad really Hallie needs to focus on the 24 yr old you're offering apartments too and leave my page the fuck alone I have a whole life Allie what the fuck did I ever do to you? Gabe you money when you said Sean broke your arm and have never asked a single thing in return—- never ever except for a spray tan. And you are purposely trying to humiliate me. Well Allie I'm beyond be humiliated up anyone eat alone you. So stop fucking with me. I'm not the one going around telling everyone your business and involving outsiders You better use your head here bro I'm not the one bragging around to my buddies that you're setting me up in an apartment I have done NOTHING to you. All I did was tell zoe to fuck off That was literally forever ago I didnt play on your emotions and I didn't take advantage of you. I'm not the one you need to be telling off either bc I don't give a fuck save that shit for your GF Does Hallie know about Zoe or she just assumes I'm the one ruining your life for the last 6 months bc I don't care Don't fuck w me Don't disturb my peace Thanks Good luck sweetheart Don't get that girl an apartment your life will get messier and messier I'd just ask that you not show anyone else the recordings you made of me without me knowing. It's embarrassing. Zoe is a nobody She's a beggar I don't know where you're getting you're information Allie but none of it's true and none it's anyone's by Zoe tells everyone in town hunt.

Even my babysitter who doesn't know I know you told me

Caitlyn insisted you are getting her a place and that I'm the one who needed to leave you alone as if you married her or some shit the girl is a goof

All I want to do is have a good time i don't rely on you

She also told Rachel she's coming to see you this Saturday

Drama! And you're paranoid of me for giving her the truth. You don't want her anymore she's scrambling for control bc you were a tool to her stupid agenda

Sep 12, 2018, 10:35 AM

As a friend I'm worried about you don't get me wrong

Sep 12, 2018, 11:39 AM

You're getting a 24 year old an apartment

Whilst telling me it was ME you loved

Who's playing the game here bro?

Who's really the pawn

Bc you made it seem like it was me as YOUR revenge on Zoe

I had NO idea when you invited me out

That you were seeing her like you were

You think Caitlin is telling you the truth you think anyone but me gives a shit wHta the truth is.

Truth is I was nothing but kind and generous and never have asked for a thing in return but hoped for some kindness and compassion and friendship G s really tough time in my life.

Until she got suspicious and her little fat cunt friend told me everything

Hunter the texts from Zoe literally said

I mean Allie who has always been there when you asked?

I'll look at another apartment just get back to me

YOU lied to MEAN

Me

It's clear as day

She's telling you she is looking st the apartments you're getting her and please hurry up cause she lost her first deposit

You lied dude

I have an entire life here I'm not looking for ANYthing but fun

And I was never NOT a friend to you just because I told Zoe to back the fuck off

I WAS FUCKING YOU

Allie I have no such fucking texts he out of the blue asked if I'd co- sign on an apartment and I told her I couldn't because my credit score was horrible after divorce.

I don't need to be competing with a 24 year old woman with rich parents and daddy issues

lma. Woman

This is too much all you have to say is Zoe is stupid you're a queen

And I'd leave her the hell alone

Oe isn stupid youre a queen.

Now please leave mew alone im really close to never fucking caring about whether I exist or not. So just pretend I don t and everyone else csa n do the same because clearly im making everyone miserable.

Don't talk like that hunter I care deeply for you as a human

You're not making me miserable

You OK ur scaring me

	Remember who you are Allie.
I know who I am and who I've always been	
I've never been fake i don't have motives I	keep it real and say what is what is
And I know my role and I'm not gonna lie t shares	o anybody about it I SHARE like a nice girl
If you were my friend from the beginning t put it on me	his would of never happened so don't even
	I've always been you're friend I've always wanted to be your friend and even now I'm trying my best. All this back and forth when we could've all been drinking pina coladas laughing pool side somewhere. Instead??? So lets' all move forward here and realize that you and I need all the real friends we can get. At least I know I do. Really Allesandra, why cut ties when the alternative is to know you've got someone to lean on in a pinch.
	And by the way you know who you are today but you don t know who you could be tomorrow Allie- you're bigger than al of this shit.
I don't think of u like that I just want to par	rty and have fun
I don't want to think of you as a leaning po	ost and I never did
	Rise above.
I have a BALL with you	
	I know that
	But I liked to know I had a badass friend I could lean on when I needed it. I don't want any more negative shit in my life. I want the badass fun friend that had I had a ball with.i don't want to be the source of that negativity by getting in between two people who clearly love each other. And I never want to hurt another person because of my insensitivity. I can't afford to sit and bitch anymore and I can't afford to sit and listen to a bunch ephemeral bitching. i want to see all the people I love reaLIZE THEIR DREAMS AND I WANT TO HELP THEM DO IT. It gives me the only lasting pleasure I know.
Babe I think u know where u messed up	
I just wana have fun	

Cause u insist on being nude

And I apologized Allie. But it really was an innocent mistake. I never told you to apologize I never ask anyone to apologize I did b?c I needed to I Love always Hmmm I just want to have fun and not be disturbed When u disturb me God help your soul Sometimes it feels like something else You are disturbed I grant you that Lmao Y'all disturb me Like I am not y';all Can I live can I have 50 boyfriends at once and not have 10 girls have their feelings hurt Well can I do the same in rev ease Yeah hell yeah Get ur retards in check Reverse Youre fucking insane My retards in check На Im the only idiot No you're not You're dope And fun Or at least I let you think that And you taught me a lot of things including the backstory of Phil Collins in the air tonight Well why...
