Donald Trump is friends with Las Vegas's Steve Wynn.

Stephen Alan "Steve" Wynn (Weinberg)

When Wynn tried to open a [casino](#) in London, the police denied him a licence.

According to a police report:

"The strong inference that can be drawn from the new intelligence is that Stephen Wynn... has been operating under the aegis of the **Genovese family** since he first went to Las Vegas in the 1960s to become a stockholder in the New Frontier [Casino](#).

"It has been alleged by a confidential informant that Wynn's late father, Michael Wynn formerly Weinberg, ran his [bingo](#) parlour in Maryland under the auspices of Anthony 'Fat Tony' Selerno, then a member and now one of the ruling triumvirate of the Genovese family."

Donald Trump got linked to Fred and Rosemary West.

[Fred and Rosemary West were serial killers of children and child sex offenders](#)

Hillary Clinton got linked to Pizza.

Above, we see the famous 'baby' picture (above) and, with it, a reference to chicken (below).

According to Pizzagate Evidence:

1. "On his 'jimmycomet' Instagram account, Alefantis posted a [baby picture](#) (above) and made a [clear pedophile reference](#)."

Is this evidence clear or ambiguous?

James Alefantis is the owner of the Comet Ping Pong restaurant in Washington, which is alleged to be at the centre of a child abuse ring, linked to Hillary Clinton.

Donald Trump's chief friend and mentor was Roy Cohn (left) who has been linked to child abuse rings. This does not prove that Trump Trump used the same child abuse rings.

Alefantis was the [romantic partner](#) of [David Brock](#), who has links to the Democrat Party.

Alefantis has never denied that, like so many people in Washington, he prefers boys to girls.

[James Alefantis](#) had a statue of [Antinous](#) as his Instagram profile picture.

Work by Louise Bourgeois in Bilbao.

2. Louise Joséphine Bourgeois (1911 - 2010) was a world famous French-American artist, whose works can be seen in many public galleries worldwide.

According to **Pizzagate Evidence**:

"Tony Podesta (linked to the Democrat Party) has a taste for art portraying cannibalism and murder, such as his [headless Arch of Hysteria statue](#) (by Louise Joséphine Bourgeois) which seems to reproduce [one of Jeffrey Dahmer's decapitated victims](#)."

How accurate is this?

[Arch of Hysteria statue](#)

The Arch of Hysteria statue was inspired by Charcot's Salpêtrière female patients, rather than by Jeffrey Dahmer.

[The Arch of Hysteria | REMEDIA.](#)

Above we see a statue of a naked lad. This statue is in Donald Trump's penthouse.

Is the above 'locker room banter' or something else?

3. According to [Pizzagate Evidence](#):

"The brother of Jeffrey B. Smith ('werkinonmahnightcheese'), who commented on several of the suspect Instagram photos, referred to a friend as 'my favorite pedo' [JPG](#)."

Is the above 'locker room banter'?

4. According to [Pizzagate Evidence](#):

"Alefantis posted a photo of a [walk-in cooler](#) (above), to which he commented '#murder' and to which Jeffrey B. Smith commented '#killroom'."

Is the above 'locker room banter'?

5. The Rolling Stones' song 'Sympathy for the Devil' [played at Trump rallies](#).

According to [Pizzagate Evidence](#):

"Listed first on Comet's website under '[friends of comet](#)' is the band [Heavy](#)

Heavy Breathing has been linked to sympathy for the devil.

Donald Trump was a close friend of Michael Jackson.

We need to reopen the Hollie Greig case - why - because when anyone states something positive suddenly the disinformation agents will race out of the woodwork and deny it's validity - WHY - because the satanic ritual rings are all linked to Scotland - Scotland is where many have said all these rings lead back to - there is something in Scotland they want to keep us away from and that something is revealed and exposed in the satanic rape and abuse of Hollie Greig - that is why that case is so important and we must continually bring it back into the spotlight and continue to examine it - that is the key case to unlocking the worldwide satanic ritual child abuse ring/s.

Ang dismissed it as a political charade. Maybe that was at the beginning, but many people looked for days at all of this... So you see a guy called Alefantis who's in league with a Brock of 'correct the records' posting weird comments. The most appalling are a photo of the back of a young girl with a spot of blood. Another is an image of money and drugs with the comment by Alefantis about being ready for London (Nov 2015) all comments by shady figures who happen to be sponsored by John Podesta and many strange figures like Amanda Klienman - who appears in every psyop related to hints at pedophilia.

No definitive proof except two deaths who are linked, Andrew Breitbart and more recently Monica Petersen.

It's a divide and conquer where the ones who can see bad chatting are labeled as lunatics while the accused ones (Clintons) hide the dirty hands of Trump, close friend of the jew Epstein.

Yoichi Shimatsu (at Rense) is a tabloid journalist who tends to mislead people. I wonder if Yoichi, a former newspaper editor, is a CIA spook?

Anon 19 December 2016 at 22:16

What Yoichi Shimatsu and Rense wrote about Sandy Hook now looks like disinformation. Rense has been discredited by his support for Trump.

Anonymous 19 December 2016 at 22:22

I agree. I spoke to John Marr Karr who denied all that Yoichi Shimatsu said about him. [JMK's account is corroborated by the fact that he returned to Thailand for the Steph Watts' interview, which he would not have done had he been arrested in Thailand, as Shimatsu suggested.]

Anonymous 19 December 2016 at 23:04

There isn't a jot of evidence that Alefantis et al did anything wrong. It remains to be seen if Pieczenik gave us dots to make a picture, without giving the actual evidence.

People are referencing <https://twitter.com/RudolphGiuliani> claiming he is investigating pizzagate because the FBI won't do so. I cannot determine if this is a real account.

Pieczenik et al will soon be in charge of Justice, so can surely prosecute, but I don't see any evidence that they care beyond using it as an election ploy.

Anonymous 20 December 2016 at 05:09

How was yoichis Sandy hook material disinformation? Noone dissected his work and the entire sandy hook saga disappeared into the memory hole. Noone proved shimatsu's material as disinfo, where are you getting your information?

I could not find anything in Yoichi Shimatsu (at Rense) which was 'sensible'. The idea that the Podestas kidnapped Madeleine McCann sounds like a Kosher Nostra joke. PizzaGate looks like a distraction from the story that the Kosher Nostra rigged the election, and the story that Katie Johnson was raped by certain members of the Kosher Nostra.

Anon 20 December 2016 at 07:18

Yoichi linked Sandy Hook to Whitey Bulger. But he provided no firm evidence. It looked like a distraction.

I'm quite perplexed by Aangirfans avoidance of the pizzagate issue. Regardless of the unstable nature of the research there are many signs and solid leads within the Clinton Foundation that show some type of nefarious activity, we all know how horrible the Clinton camp is and its connection to the world cabal and more importantly its role in continuing the Bush Cartel world domination plans, who are an extension of the nazis. It is beyond me why you are showing any favoritism at all for either 'candidate'.

Aangirfan has not avoided PizzaGate, but has in fact written three detailed posts about it.

Aangirfan has written posts condemning both Clinton and Trump.

Aangirfan wrote that people should not vote for Clinton; or for Trump.

Aangirfan believes that, many years ago, the Cabal selected Trump, as a future president.

The Cabal did not want Clinton because she lacked charisma, she appeared to be anti-semitic, she supported the Iran deal and she was not prepared to let Netanyahu destroy the Palestinians.

Trump is everything the Cabal wants.

Donald Trump is, according to his own brother, a German Jew.

Donald Trump has been described as being a Zionist Nazi.

Look at Trump's friends - Roy Cohn, Jeffrey Epstein, Goldman Sachs, Rupert Murdoch, Benjamin Netanyahu, James Mattis (Fallujah), Peter Thiell (Bilderberg), Larry Solov etc.

Trump will screw all the folks who are not members of the elite.

Anonymous 20 December 2016 at 09:00

That is not in dispute and I am in full agreement with you. I have also written extensively about Trump, through your work and others, but perhaps I am suggesting that there has to be, and there are stray indicators, that we have not seen the last of the Clinton Cabal and that somehow the two of them are still in collusion. Regardless of the deep cover distractions, ie, controlled opposition from Wikileaks or Alex Jones, the deeper import reveals intention on both of their parts to complete the overall all encompassing new world order con.

Yes you have printed research on pizzagate and alefantis yet it seems to discredit the entire thing as hyperbole or 'locker room' talk. The conglomeration of alefantis, his friends, their eclectic taste in music and art, and now his command of media presence suggest much more than just locker room banter. We both know as well what was really going through Trump's mind when the media covered for his ass when they invented that meme for him, the same probably goes for alefantis.

I just don't see passing Yoichi Shimatsu's research off lightly as a wise choice.

The point Aang is trying to make is that if it looks like a duck, swims like a duck and sounds like a duck ... it's probably a Mockingbird (ie: disinfo). If you follow the trail back its origins you discover a GOP affiliated duck (no, not Dick Cheney out on a hunt!) At the same time, the blatantly obvious 'dubious behaviour and affiliations' on the Drumpf-meister have been all but ignored by 'truth-seeking' websites other than Aangirfan.

Have you noticed that a lot of Israeli companies get bought up by American companies? That's a backdoor way of giving aid to Israel. There's massive investment in Israeli companies by America too. Israeli technology is used heavily by America. It props up the Israeli economy. Without it, Israel would fail.

I'm sure America arranges for its allies to invest in Israel too. The amount of direct and indirect aid that Israel gets is astonishing given Israel's small size and population.

The 'fake Rudy Giuliani tweets' are exceptional for such fakery, as noted on the Henry Makow site & in other places

They were maintained for an exceptionally long time, & whilst leaving some evidence they *really were* Rudy Giuliani (or an intel operation involving him)

They are written with an effective rational-seeming tho fearful voice 'pray for me'

They have significant truth, e.g., re 9-11, & re paedophile crimes in Virginia near the centre of US gov't, Virginia where more children 'disappear' than anywhere else in the USA

There is an interesting relatively new possible truth in them, in that 'Giuliani' says governments actually possess far more advanced video CGI hoaxing tools than is generally known from movies, the Rita Katz fake bin Laden videos etc ... Rudy pleads with his audience that any 'appearances' by him publicly denying the tweets are fake

There is a theory that these Rudy Giuliani tweets are prime 'poisoned well' revelations, with portions of truth put out in a context such that they can be then discredited as 'fake news'

There is a theory that the oligarch cabal enjoys revealing the truth of what it is doing along with some simultaneous denials

There is a theory that 'God has imposed upon Satan', the restriction of always publicly disclosing major criminality ... so that acceptance by the public of evil, is thus in fact willing & with substantial awareness & without excuse for 'not knowing'

Banks stopped lending to Trump in the 2008 crash and he became dependent on Russian Mob money - Sater & Mogilevich. So the Mob make their money from drugs, prostitution, arms & oil, then they launder it through Trump construction and casinos.

Piecznik is a Russian Jew, he addresses World Jewry; but he is also DIA & ONI. The ONI is cooperating with Russians in space, so they are on the same side at that level. Would the ONI want to clean house at the CIA? Why do that if the US is ramping up for war with China? Do the Russian-Israelis want to discourage CIA officers so that they resign and they can put their own assets in place? The Clinton Foundation is a CIA NGO. Piecznik, Snowden, Assange - all look like Russian/Israeli assets at the moment, but we are missing the bigger picture at the deep state/space level.

Miley Cyrus 'age-play' video & the 'child' dimension amongst adults

Some countries have discussed out-lawing theatre or video where, even though all performers are adults, there are themes where some of the adults are 'posing' as if under-age in some respect, e.g., 'school-girl' or 'parent-child', & there is a sexual dimension

The previous senior citizen US President Ronald Reagan (1981-89) often called his wife Nancy 'Mommy' in public

Recently, was talking with a female friend who spoke of going to an adult lingerie

& bedroom-fantasy store ... she was recalling her university feminism, & began to wonder if some of the goods in the store, e.g., 'school-girl' clothes, 'spanking' items, 'adult baby' items in sizes for adults - should be outlawed as contributing to the child-violation culture

But as she talked she realised it was hard to 'draw the line' against 'age-play', given what many couples say & do, including herself & her own Significant Other ... at times many of us enjoy being comforted & loved 'like a child' ... some 'age' dimension can be found very widely in adult intimate material & speech & behaviour ... my friend spoke of her own mother wearing a plaid 'schoolgirl' type skirt with tights

One item creating controversy is the unsettling 'baby age play' video from the mega-popular young singer Miley Cyrus, called 'BB Talk' (= baby talk).

The 'official video' has nearly 24 million views, and in most of it Miley Cyrus is dressed up as a baby girl or young child, whilst she invites the listener to 'f-k me ... so you stop baby talkin'

Another odd aspect of the video, is that Miley's voice sounds unusually 'male' or mannish here, seems almost a different voice than one in earlier pop songs of hers ... perhaps intentional gender confusion? Or is Miley's life affecting her throat in some way?

Some say flat-out this is 'illuminati paedophile' promotion via the music industry ... in any case, very popular

4min31 - 23.9 million views - Miley Cyrus 'BB Talk'
