Actually not crazy about it

I went yesterday 💗 💗 Have you thought more about structure and chapter titles? I slept two hours. My sleeping is so messed up at the moment. I can't sleep again, for another night. 🎇 I just sent my daughter Naomi the nude— with some real trepidation and warning It's not finished! What does she think about our project? My aunt who's a shrink came over to the studio and I told her about it and showed her some of the paintings. She thought it really important. I took my first flying lesson today I want to make so many more images for the text, it's rich in imagery Ive just started top exp[lain it to her Seriously? In a glider? That sounds FUN She said phillipa sounds really cool At that little plum island airport Amazing. How fun. Maybe you'll take me up one day? Mary Poppins and Dick Van Dyke above the chimneys and in the clouds Naomi says:Those are amazing she's actually so insanely talented what's her name again want to look her up I told her Persnicketty Horatio I'd like to meet her, I'm sure she's adorable and very brilliant I like Persnicketty Click to Download Screen Shot 2019-01... 208KB Fropmk Naomi From Click to Download IMG_1058.jpeg 310KB I'm ready Always outdoig me NO!!! My week is filling up Jan 20, 2019, 1:32 PM Yes visit but id rare come there first - I think being on your turf on your schedule would be most productive Jan 20, 2019, 7:45 PM ...But no extravagances or craziness if on my turf. Just work. Beautiful work. And then we have a plan? Or else I cut your balls off There's a yoga studio next to my studio And I'd really like it if you'd come with me every day You gave an apartment to yourself above my studio to write. I can paint and we can have breakfast together and do yoga together and if you feel tough enough you can do boxing with me Have not gave # But I need love and commitment if you're on my turf not entitlement and wildness. Sorry for laying down a law and I understand if you don't want to come.
