Welcome to Q Research General

We are researchers who deal in open-source information, reasoned argument, and dank memes. We do battle in the sphere of ideas and ideas only. We neither need nor condone the use of force in our work here.

"We hold these truths to be self-evident: that all men are created equal; that they are endowed by their Creator with certain unalienable rights; that among these are life, liberty, and the pursuit of happiness."

Steve Bannon: Last night you saw what they think of our country. They would allow a decrepit old man to occupy 1600 Pennsylvania and actually pretend to be the CIC when it's supposed to be very clear lines – we have no earthly idea who makes the decisions over there, or how decisions are ever made. And Nancy Pelosi supports that. Nancy Pelosi is totally lawless.

IT'S OVER, BIDEN FACING A GUARANTEED LOSS – even left-wing media can't hide disappointment over Genocide Joe embarrassing himself during Trump debate (<https://t.me/IntelRepublic/38912>), with Democrat political commentator Cenk Uygur and purple-haired co-host going into meltdown and waxing lyrical over how epic the defeat was.

This is an epic disaster. It's over. He [Biden] looks like he's barely surviving. I don't mean the debate. I mean life. I will bet any amount of money that he's going to lose this election if he's the candidate. It's a guaranteed loss. You're telling me this is the most important election of our lifetimes? You're telling me that democracy's on the line? And you're going to put on a guy who can't even talk? who can't even sit there and look normal. This thing's a bloodbath. He's going to get annihilated – Uygur.

Gain of Fauci

@DschlopesIsBack

Something to pay attention to...

Democrats are clearly splintered after Biden's debate performance last night and they are even attacking each other over the notion of replacing him or not. That being said, this will not last forever... they WILL eventually get their marching orders (from Barack Obama and others) to unite on one approach, for "the good of the party" but it might take some time.

Watch how the liberal media approaches this in the coming days and weeks. If you start seeing damning negative stories about Biden (that they previously dismissed, obfuscated or chose to overlook) start popping up, you will know that some of the people actually in power are very serious about replacing him.

Here are some MSM stories to look for:

- Joe Biden's own roll in the Hunter Biden laptop, like 10% held by H for the Big Guy.
- The classified documents. Remember, he could have ONLY been set up on this by his (really Obama's) own people for them to have found out about the documents in the first place. Also, this gives Dems a better attack angle on Trump and a way to disingenuously promote the idea that they are "holding everyone accountable."
- His on tape quid pro quo with Ukraine and other Ukraine-related issues/scandals (Burisma, etc.) involving both him and Hunter.
- To a lesser extent, the cognitive decline, mental health and age questions.

The BEST way (from the Democratic party's perspective) to take him down is to make everything about his age, health and mental state. Blame every wrong decision he did on these factors and look to garner sympathy while, at the same time, pretending like this isn't an indictment of the party itself, but simply mistakes by one man that people should feel sorry for. If these are said marching orders, this is the approach they will take.

On the other hand, if there is dissension in the ranks and some are not wanting to go along with the plan, things could get messy. If some of the major players and media outlets are still wanting to back Biden and others are not, they will have to be more aggressive in how they force him out. That is when you will see the focus being more on the aforementioned corruption/legal stories. Again, think Hunter's laptop, money from China and other countries, classified documents, quid pro Joe in Ukraine, etc.

Watch this very closely... it will be interesting and shed light on their bigger, more sinister agenda for the future of America.

LIVE: President Trump Delivers Remarks in Chesapeake, Virginia – 6/28/24

<https://rumble.com/embed/v51k5hu/?pub=4>

<https://youtu.be/cqMbkhvi2OM>

President Trump: As you saw on television last night, we had a big victory against a man that really is looking to destroy our country. He's the worst. He's the most corrupt, the most incompetent president in the history of our country, and we have to take it back from that party. That's an evil party.

>>21105765, >>21105783 The NC women, this is their 127th rally – Qdrop 127 the graphic is your key

President Trump: The question every voter should be asking themselves today is not whether Joe Biden can survive a ninety minute debate performance, but whether America can survive four more years of Crooked Joe Biden in the White House. In fact, I don't know if we can really survive five more months. This is the most dangerous time in the history of our country, in my opinion...we've never been so close to World War III before.

President Trump: The whole world should know, that while Biden is the worst president in the history of America, our country is going to be strong again, and it's going to be very soon. I want the enemies to know that, because we have a five-month transition period, and I want the enemies to know; don't play around with us during this five-month period. Don't play around.

President Trump: Many people are saying that after last night's performance, Joe Biden is leaving the race. But the fact is; I don't really believe that because he does better in polls than any of the democrats that they're talking about...they polled Michelle Obama. She polls very badly. She polls terribly...they polled many people, and it's hard to believe, but Crooked Joe Biden polls better than those people.

President Trump: Time and again, Joe Biden revealed how extreme and divisive the radical-left democrats have become. Before your very eyes, Crooked Joe endorsed unlimited, extreme late-term abortion up to the moment of birth, and even death after a baby is born.

President Trump: They've spent trillions of dollars on subsidies. You ever notice that the car companies aren't selling cars, but they seem to be very happy. You know why? Because they are getting massive amounts of subsidies from the government. Normally they'd all be out of business because they are not selling cars. They are making far more electric vehicles than you need.

President Trump: Under the Trump administration, we will not rest until we have found every single radical Islamic terrorist who Joe Biden has let into America., We will arrest them, or we will throw them the hell out of our country immediately, and we will not let them back in. We have no choice.

President Trump: We have the greatest police in the world, but they're not allowed to do their job. And we're going to let them do their job. And we're going to give them immunity so they can't be prosecuted for doing their job.

President Trump: To stop Bidenflation, I will end Joe Biden's colossal waste of American tax payer dollars, and I will rapidly terminate a thing called the Green New Scam. It's the greatest scam in the history of our country, We're spending trillions and trillions of dollars on nonsense. On things that all they do is cause waste and inflation.==

President Trump: ==The Supreme Court ruled that Biden's Department of Injustice has wrongly prosecuted hundreds of Americans for peacefully protesting on January 6th. Those people have been treated so badly, especially when you compare them with people that ripped apart and killed people in Portland, and in Seattle, and in other places. They have been treated so badly. So we're asking, based on the decision, they should immediately be released. Immediately; the J6 hostages.

djt: i want to thank cnn tapper and bash, they treated me very fairly.

djt: Free the j6 hostages now, i put 3 great supreme justices.

djt: we are leading in the common wealth of virgina (not state)

djt: this is all coming from bidens vicious thugs that surround him.

djt: think of this, they rigged the election in 2020, we will not let the rig the 2024 election

djt: the next senator and Navy combat veteran Hung Cao (come on up) tim caine bad.

hung cao; the only people better off now are illegal aliens.

djt: the greatest governor glen youngkin

youngkin; mr trump, this is the best trump rally on behalf of 8.7 million people we are going to get you back in the whitehouse

djt: he is a great governer and also very total, the only one taller is my son, he is seeing what is happening to the country and it concerns him.

djt: thank you congressman michael waltz who sees our nation in decline

djt: if we win virgina the race is over

djt: above all as we are near so many military facilites, so lets have a big round of applause for the forces.

djt: think about it, we have russian submarines of the coast of florida in cuba and they don't want to talk about it

President Trump: Despite Joe Biden's flagrant lies on the debate stage, I will not cut one penny from Social Security or Medicare, which is what he is going to do . He's destroying Social Security.

djt: virgina gave us the quote, Give me liberty or give me death.

djt: We are a nation in decline speech.

djt: by this time the flame of liberty will be burning bright and joe biden and he will be a fading memory

djt: We are one nation under God and We will make America Great Again.

Note: 6 days until the election, turns out, the guy is a actor, has done undercover work, has a rough voice, worked for channel 4 before, the company who sold the under cover work only do this for a business and so money has been exchanged between channel 4 and the company, right now no one knows who paid the under cover film crew but it is probably the company, whether andrew parker has been paid, probably and the fact he was a 1 volunteer amongst a hundred who had a film crew with them is moar than a coincidence, richard tice calls it right, this is election interference and ofcom at the moment are silent..

BREITBART NEWS NETWORK: BORN IN THE USA, CONCEIVED IN ISRAEL

A lot of people don't realize this but Breitbart News Network really got its start in Jerusalem. It was the summer of 2007, and Andrew had been invited to tour Israel as part of a media junket. I agreed to tag along as his lawyer and best friend. What neither of us knew at the time was that the trip would change our lives and give us the inspiration for Breitbart News Network.

Bannon steps down from Breitbart News after drawing fire from Trump

By Reuters
January 9, 2019 9:48 PM AEST Updated 6 years ago

WASHINGTON (Reuters) - Steve Bannon has stepped down as executive chairman of Breitbart News, the right-wing news website said on Tuesday, after the former White House chief strategist drew fire from President Donald Trump for harshly criticizing his eldest son.

Bannon was quoted on a new book about the Trump White House as calling Donald Trump Jr. "neonazi" and "unpatriotic" for meeting during the 2016 presidential campaign with a Russian lawyer who was said to have damaging information on Democratic candidate Hillary Clinton.

The comments drew a furious response from President Trump, who said Bannon "had lost his mind."

DNC is about to call for a press conference on Monday. I don't want to Seth Rich anyone working there, so I'll be really careful as to what I say.

They've decided to name Jill Biden as their Hail Mary against Trump. She was told to be ready to accept no later than 11:59pm tomorrow.

DNC lawyers are drafting as I type this and have said that while unprecedented, there isn't necessarily any law against it. DNC internal policy dictates that they may choose their front runner at will, and not be beholden to primary vote.

I am of about forty individuals that know up to this point in detail. What they're doing is wrong. It's about our future at this point.

<https://apnews.com/article/steve-bannon-contempt-jan-6-supreme-court-510b9a485168d227a6ffd6ca6602d5cb>

WASHINGTON (AP) — The Supreme Court on Friday rejected a bid to delay a prison sentence for longtime Trump ally Steve Bannon as he appeals his conviction for defying a subpoena in the congressional investigation into the U.S. Capitol insurrection.

Bannon filed an emergency appeal after a judge ordered him to report to prison July 1 for a four-month sentence for defying a subpoena from the House committee investigating the Jan. 6, 2021, attack. The court previously denied a similar request from another Trump aide.

The appeal was originally directed to Chief Justice John Roberts, who oversees such requests from Washington. He referred it to the full court.

The court rejected it without explanation, as is typical. There were no noted dissents.

Defense attorneys have argued the case raises issues that should be examined by the Supreme Court, including Bannon's previous lawyer's belief that the subpoena was invalid because former President Donald Trump had asserted executive privilege. Prosecutors, though, say Bannon had left the White House years before and Trump had never invoked executive privilege in front of the committee.

A jury found Bannon guilty nearly two years ago of two counts of contempt of Congress: one for refusing to sit for a deposition with the Jan. 6 House Committee and a second for refusing to provide documents related to his involvement in the Republican ex-president's efforts to overturn his 2020 election loss to Democrat Joe Biden.

By Ryan J. Reilly

WASHINGTON — Former Trump adviser Steve Bannon must report to prison by Monday after the Supreme Court rejected his last-minute bid to stave off his four-month sentence for defying subpoenas from the House Jan. 6 committee.

Bannon was convicted in Washington on two counts of contempt of Congress nearly two full years ago, in July 2022, and sentenced to four months in prison in October 2022. U.S. District Judge Carl Nichols had put his sentence on hold as he pursued an appeal of his conviction, which was rejected in May. Nichols then ordered Bannon to report to prison by July 1, saying there was no basis to continue to delay the sentence. An appeals court then rejected Bannon's appeal of the decision, leaving only the Supreme Court to help him avoid incarceration.

Bannon was held in contempt of Congress after he blew off the Jan. 6 committee's request for documents and testimony as part of its investigation into former President Donald Trump's attempts to overturn the results of the 2020 election and remain in power in the lead-up to the Capitol attack on Jan. 6, 2021. Bannon's lawyer told the Supreme Court that he was relying upon the advice of counsel, saying he was waiting for issues of executive privilege to be settled. But as federal prosecutors noted in their 2022 sentencing memo, there was no operational claim of executive privilege, as Bannon had been a part of the Trump administration years earlier, not during the time frame being examined by the Jan. 6 committee.

If this place is the news now, you don't think bad actors would want to try and control that? They fail regularly though. Anons are too sharp, too fast, staff even faster... most times. KEK!

Neo Nazi's see themselves as "Defenders of the Faith" so any appeals to Logic and Reason versus Dogma are seen as personal attacks.

Neo Nazi's are not here to help or otherwise promote Q or Anons. They see Q as simply a vehicle where they will inject their ideology, grift and attempt to steer the flow of information.

Neo Nazi's wish to appear very PRO CHILDREN, ANTI ABORTION & PRO RELIGION yet many have been found to be quite the opposite and simply hiding behind Religion in order to spread their Hate, Evil.

Neo Nazi's are fond of Catholicism because Catholicism, like Christianity, has Racism built in. See: Good Friday Prayer for the Faithless Jews.

Neo Nazi's are attracted to POTUS because they believe POTUS is a racist, albeit secretly, and will thus promote policies which they agree with.

Neo Nazi's strive to get into command and control positions CCP as they believe that their influence can alter the outcome of the Plan!

Neo Nazi's have a powerful foothold in former Axis Power Japan.

Neo Nazi's from /pol/ make up the bulk of the Neo Nazis on Kun.

The Bear never goes below the ocean line.

Ever. It walks in a circle all year long.
