PIZZA GATE - PART FOUR

Stone at Trump Tower in December 2016 - with lesions on his face (above)

Donald Trump's friend **Roger Stone** is the 'dirty trickster' who allegedly invented PizzaGate.

Stone has been accused by the Obama administration of having prior knowledge that Putin was planning to hack the US election.

Roger Stone now claims that he was poisoned by members of the Deep State who wanted to kill him.

Stone says they wanted to kill him so that he could not 'debunk' their 'lie' that he knew Russians would hack the US election.

Stone claims that doctors have told him that a mysterious virus he was had in December 2016 was probably polonium poisoning.

On Alex Jones's Info Wars, he said: "I had lesions on my chest and my face..."

During a visit to Trump Tower on 6 December 2016, Stone had several small cuts to his face and neck.

2. In October 2016, John Podesta's emails were published on Wikileaks, a suspected CIA/Mossad front.

Clinton campaign chairman John Podesta told reporters that Republican dirty trickster Roger Stone may have had advanced knowledge of the breach and the subsequent publishing of the emails on Wikileaks.^[i]

Podesta referred to an **August 21, 2016** tweet by Stone in which he wrote: **"Trust me, it will soon be Podesta's time in the barrel."**

Stone and Cohn (left)

According to Timothy Fizpatrick:

3. A lot of Roger Stone's skills were learned from his mentor, Roy Cohn.

Retired New York Police Department detective James Rothstein claims that Stone was part of Cohn's pedophile entrapment ring.

According to Timothy Fizpatrick:

4. Roger Stone and Donald Trump work together [vi].

Stone implicated Ted Cruz's family in the assassination of John F. Kennedy.

5. In 1972, Stone went to work for Nixon and entrapped Richard Nixon's opponent for the Republican nomination Paul McCloskey.

Using the fake name 'Jason Rainier', Stone donated funds to McCloskey pretending it was on behalf of the Young Socialist Alliance.

Stone then told the press that McCloskey had accepted the funds, implying that McCloskey was an undercover socialist.

In 1996, Roger Stone was exposed.

Roger Stone was the top Dole aide.

According to Timothy Fizpatrick:

"Pizzagate, like the Jade Helm, flat Earth, and Jesuit conspiracy theories, could be part of a Cass Sunstein-like attempt to discredit legitimate conspiracies by flooding the truth movement with plausible yet ultimately false and fake conspiracy theories."

Long-missing Clinton Foundation ex-CEO Eric Braverman has been found ... he is going to work for the gangsters of Google Inc

Hasbara Fellowships are offered for those wishing to troll on the internet for Israel & Mossad -

<< Eric Braverman, the former CEO of the Clinton Foundation, has been hired to oversee the non-investment side of the family office of Alphabet Inc. {Google Inc} Executive Chairman Eric Schmidt and his wife, Wendy.

Braverman will be in charge of the philanthropic arm of the Menlo Park-based Eric and Wendy Schmidt Group, an official with the organization told the Silicon Valley Business Journal. The group has given away hundreds of millions of dollars for environmental and other causes.

Braverman ran the non-profit foundation of former President Bill Clinton and unsuccessful Democratic presidential candidate Hillary Clinton between 2013 and 2015. It's a \$395,000-plus job he reportedly got on the recommendation of their daughter, Chelsea, whom he became friends with when they both worked at McKinsey & Co >>

Pizzagate could not have grown so exponentially out of a vacuum.

Why would Roger Stone concoct pizzagate when it it is completely obvious he leads right back to Roy Cohn and his networks, risking the exposure of the whole plot? The plot being, another obviosity, that the Clinton and Trump camp are ultimately still both in collusion.

Purporting that stone had foreknowledge of the Wikileaks circumvents actual planning of the leak.

Chilling evidence of organized child sex abuse revealed in survey

Odette and her sisters Rosemary and Lucy are among the victims of what a new survey by the Canadian Centre for Child Protection suggests is a widespread tragedy — child exploitation rings led by parents of the abused.
