 Authentic.  
 Why is Sec of State there?  
**WHY IS THE EU / OTHERS PRESSING TO REMAIN IN THE DEAL?**  
 Think logically.  
 France & Germany came to the WH for the sole purpose of  
 pressing POTUS to remain in the deal.  
 5% shared.  
 POTUS deCLAS Syria/Iran + IU connection.  
 Where does EU fit in?

With the little knowledge of the Plan that was shared with me. Arons need more coordination and a tighter community to get through this. The DS is strong.

Also many crumbs have been missed or foled since you had a ifread.

Much like DJT, Keeping your enemies close is [good] if you can identify who the enemy is.

Think Critically. Do not become the new Sleeping Masses.

It is not your fault it is ours  
 We started media ops in the 50s and it just out of hand. No longer controlled by Patriots.  
 WE are sorry.

In order to create a successful PSYOP the following must be established:

clearly define the mission so that it aligns with national objectives  
 need a PSYOP estimate of the situation  
 prepare the plan  
 media selection  
 product development  
 pretesting - determines the probable impact of the PSYOP on the target audience  
 (WE ARE HERE)  
 production and dissemination of PSYOP material  
 implementation  
 post-testing - evaluates audience responses

feedback

 Glad to see there are still some real Patriots Here!  
 Stay strong Twers. We are Winning. And Winning Biggly.  
 Do not let the DS tactics divide you. You have more than you know as stated. Many are using dubious tactics. I know some can see through but as WE grow more will attempt to divide for profit or even worse.  
 I will be back soon. I should be dark but still in states for now.

We saw a huge divide and needed to correct before the whole movement was ruined by Outside Ops.  
Do not take these as official Qs till Q confirms.  
I was directed, as stated, to relay that message. Then I saw all the Patriots and knew I had to do more for my Country.  
So Now I am trying to help as I can.

 You/Anon stated that last night. I cannot confirm as we are separate and I am not aware. But use the knowledge given.  
 How are your "Favorite" movies structured? Are they all shot and presented in order?  
 Q says "You have more than you know" this is true.  
 Q says "Future Proves Past"  
 Learn double meanings. Think Critically. If you are NOT the actor in this Movie who are the Local [State, Federal, SCUM, (((Others)))] Actors you see? Are they playing a PART or a PATRIOT?

**Thank You Bakers.**  
 Anons, Now it is time to do your part. Telling the truth is only a few keystrokes away. Just because the information is there for Fags/Austis does not mean the info is there for the [sheep]. The time is now to create real journalism regarding the dough. Not Twitter Warriors and PaYtrots, YT trash talkers and fake [de]coders. They all just take your hard work and ruin it. Do your part and begin creating real NARRATIVES regarding what is actually going on.  
 It time to see the time to pick up the mantle. A call to action for Patriots will come. But be at the ready. Start shifting the narrative now. Together WE are strong.  
 #WeAreTheNewsNow  
 Think Critically, Think Big. Only the Truth Matters. WE are the only ones who can make it happen.  
 The bakers have diligently kneaded a finely wrapped present almost ready to be consumed by the masses.  
 Will you be ready when the time comes?

 Memetics is the study of information and culture based on an analogy with Darwinian evolution. Proponents describe memetics as an approach to evolutionary models of cultural information transfer. Memetics describes how an idea can propagate successfully, but doesn't necessarily imply a concept is factual.

 Why no Emoluments in USA?  
 We are all Equal Patriots. Our RIGHTS are given by "Creator" not gov, king, queen or other  
 Our rights were earned and our fathers fought and died for them.  
 If you as an American take a Rite. Take it to the Constitution as your forefathers did. They gave us what we have. And would try to see we are losing it.

Q Research General #562: Gtms Ready to GO Edition

Does Kevin Hagg (David Hagg's father) actually work for RAND Corporation? Found this when looking him up:

<http://www.janabits.com/p/kevin-hagg-15134811>

Big if true. RAND is deepstate and involved with social programming.

Any anons have a way to see if this is the same Kevin Hagg? There were some videos of David in California, this would line up if so.

Q Research General #502 - Sluify Shell Games Edition!

\* According to Coco Wheeler, a former (Summit) mind-control programmer, at least ten million people have been programmed as mind-controlled slaves using

Hirshfeld and Tavistock Institute-derived trauma-based mind-control programmes with codenames such as MCHARCH and MCHULTKA. A more recently developed, non-trauma, electronic means of mind-control programming that emerged out of the Montauk Project (after its location on Long Island), may have entrapped millions more. Al Bekki, who was prominently instrumental in developing the Montauk Project, has stated that there may also be as many as ten million victims of Montauk-style mind-control programming worldwide, with the majority being in the United States. Bekki is also on record as having revealed that there are covert Montauk Programming 'Centers' in every important city in America. A list of alleged Illuminati programmers, including the late Pope, is given on pages 517-518 of the present work.

What is usually referred to as 'public opinion' is really carefully crafted and scripted propaganda designed to elicit an intended behavioural response from the general public. Public opinion polls are taken specifically with the covert intention of gauging the public's acceptance of pre-planned Illuminati operations and projects. A strong showing in opinion polls tells the Illuminati manipulators that a given programming operation is 'taking', while a poor outcome tells the New (Hydro)world Order manipulators that they need to retest or 'break', the programming until the desired response is achieved. While the general thrust and

content - a given burst of controlled propaganda is decided by the London-based Tavistock Institute, according to sources, implementation of the propaganda in the United States is handled by more than 200 controlled 'think tanks' such as the CIA's RAND Corporation and the Brookings Institution, which are overseen and directed by the leading New World Order control organization in the United States, the Stanford Research Institute (SRI), located at Menlo Park, CA. The Author, who has visited the United States frequently every year since 1977, has never - repeat, NEVER - encountered a single 'think tank', lobbying organization or specialized media outlet that is not controlled in some manner, with an instrumental aim to grind. The grim state of affairs has been exacerbated in recent years by the emergence of more than 300 controlled Intelligence Information Warfare websites which exist to spread disinformation, propagate confusion and divert attention from questionable or downright evil official policies, so that no one can fathom what is happening.

This is our creed.  
by Major Edward Rouse, U.S. Army Retired

Throughout history, in war and peace, I have played many roles.  
I am inspiration.  
I am motivation.  
I am intimidation.  
I am deception.  
I am...PSYOP.

I was the inspiration for Hannibal to take his elephants over the Alps.  
I was the motivation in the words "Give Me Liberty or Give Me Death" and "Remember the Alamo".  
I was the intimidation of the sound of Gideon's trumpets.  
I was the deception used against the Trojans.  
I was and I am...PSYOP.

I rode with Alexander the Great, Julius Caesar, Genghis Khan and Sun Tsu.  
I saw action in both World Wars and in Korea and Vietnam.  
I helped bring a speedy victory in Just Cause and Desert Storm.  
I brought the hope of peace to Haiti, Somalia, Bosnia, Kosovo and Afghanistan  
I was and I am...PSYOP.

I was the "talking tanks" asking the Nazi soldiers, "why die for a lost cause?"  
I was the leaflet which told the Japanese to "Cease Resistance".  
I was the Commando Solo broadcasts to the Taliban warning them that,  
"we will destroy those who harbor terrorism."  
I was and I am...PSYOP.

I bring the light of truth where before lay the darkness of lies.  
I deliver hope to those who are in despair.  
I bring fear to those who believe their actions are without consequence.  
I was and I am...PSYOP.

I am that voice that tells the enemy to surrender or die.  
I am the shadow of doubt that makes the enemy question their actions.  
I am that power of influence that despots despise.  
I was and I am...PSYOP.

I am the broadcast of reason over radio, television and loudspeaker.  
I am the light of truth in print media, leaflet, newspaper, handbill or poster.  
I am the force multiplier that wins my country's wars.  
I was, I am and I will forever remain...PSYOP.

—  
WE and (You) share ideas and values.  
(You) get not credit for your work, Neither do We.

You can call us: [\[redacted\]](#) Or any other name you like. We are Army as stated. We are Patriots.  
NRO is full of bad actors. Focus on actors and players. Not Orgs (Orgs will fix it people are removed). People do bad. Just like guns the Orgs can do nothing without a person.

**This Will Be Our Creed Together**

Anons we must join TOGETHER to tell the TRUTH. WE are fighting a MONSTER of Darkess who knows nothing but LIES.

You don't fight darkness—bring the light, and darkness will disappear.

The Truth will illuminate the darkness, the light of truth always shines brightest in the dark.

No matter how dim a candle burns it will ALWAYS illuminate darkness. ( Read as: No matter how small your **voice** if you speak truth you will be heard.)

Thousands [Millions] of candles can be lighted from a single candle, and the life of the single candle will not be diminished.

[TRUTH] never decreases by being shared.

Each one of us represents a single candle in the darkness of our world.

If you decided to wake up and shine your light by spreading truth rather than believing lies.

We welcome you fellow Anon! May Facts and Truth be the light to your way from darkness.

If you have come to troll, spam, or spread disinformation...

**WE DESPISE YOU!!!**

We are Anonymous. We are Legion. We do not forgive. We do not forget. Expect us.

Amendment I (Bill of Rights)

Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the PRESS; or the right of the people peaceably to assemble, and to petition the government for a redress of grievances.

-We Will not be Silenced; -We Cannot be Silenced; -Our Voice will be Heard; -Your Lies are Whispers in the Wind, Compared to the Roar of our Resolve.

## CHAPTER I

### America's Deaf Mute Blindmen

"To attribute to others the identical sentiments that guide oneself is never to understand others." — Gustav Le Bon

Over the past several decades, quietly, without media attention, many Americans in diverse fields of activity have been pressured into silence, and failing silence, have been removed from their positions or excommunicated from a chosen profession. These men range from historians in Department of State, top level officials in Department of Commerce, engineers working for IBM, to academics in America's leading universities.

In each case threats and pressures which led to censorship, firing, and excommunication track back to the deaf mute blindmen, and their associates in political Washington.

Who are the deaf mute blindmen?

The Russian revolutionary Vladimir Ilych (Ulyanov) Lenin coined the phrase, and whatever we think of Lenin's revolutionary philosophy, we cannot deny his genius in the analysis of capitalists and their motivations. Here is Lenin on the "deaf mute blindmen."

The Capitalists of the world and their governments, in pursuit of conquest of the Soviet market, will close their eyes to the indicated higher reality and thus will turn into **deaf mute** blindmen. They will extend credits, which will strengthen for us the Communist Party in their countries and giving us the materials and technology we lack, they will restore our military industry, indispensable for our future victorious attacks **on our suppliers**. In other words, they will labor for the preparation for their own suicide.<sup>1</sup>

#### **The Suppressed Higher Reality**

What is this "higher reality" that Lenin identifies? It is simply that the Soviet system cannot generate sufficient innovation and technology to become a world power, yet Soviet global ambitions demand that its socialist system challenge and surpass the capitalist systems of the West. Lenin deduced just before he died in 1923 that Soviet communism had an Achilles heel, a fatal defect. In a remarkable about-face Lenin then introduced the New Economic Policy, a return to limited free enterprise and a prelude to a long-lasting cooperation with Western capitalists — the deaf mute blindmen. This policy was repeated by Communist China in the early 1980s.

It is knowledge of this "higher reality" that has been ruthlessly suppressed by successive Administrations under political pressure from internationalist businessmen. The State Department, for example, has a disgraceful record of attempting to black out information

TYB: You are the best bakers.

This will be Our Creed if you choose to dig  
A Brief Creed to Truth

Anons we must join TOGETHER to tell the TRUTH. WE are fighting a MONSTER of Darkmess who knows nothing but LIES.

You don't fight darkness—bring the light, and darkness will disappear.

The Truth will illuminate the darkness, the light of truth always shines brightest in the dark.

No matter how dim a candle burns it will ALWAYS illuminate darkness. ( Read as: No matter how small your **voice** if you speak truth you will be heard.)

Thousands [Millions] of candles can be lighted from a single candle, and the life of the single candle will not be diminished.  
[TRUTH] never decreases by being shared.

Each one of us represents a single candle in the darkness of our world.

If you decided to wake up and shine your light by spreading truth rather than believing lies:

We welcome you fellow Anon! May Facts and Truth be the light to your way from darkness.

If you have come to troll, spam, or spread disinformation...

**WE DESPISE YOU!!!**

*We are Anonymous. We are Legion. We do not forgive. We do not forget. Expect us.*

Amendment I (Bill of Rights)

**Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the PRESS; or the right of the people peaceably to assemble, and to petition the government for a redress of grievances.**

-We Will not be Silenced. -We Cannot be Silenced. -Our Voice will be Heard. -Your Lies are Whispers in the Wind. Compared to the Roar of our Resolve.

It's too late. Never for the kids.

What can you do locally? Can you stop just 1 of the mocking birds?

You never really understand a person until you consider things from his point of view... Until you climb inside of his skin and walk around in it.

Until I hated I would love it, I never loved to read. One does not love literature.

Can each of us just stop 1 mocking bird?

What an excuse? Many kinds. Can (You) make waves. Yes you can, that is why I name HE:00

"A free press can be good or bad, but, most certainly, without freedom a press will never be anything but bad." – Albert Camus  
"Were it left to me to decide whether we should have a government without newspapers, or newspapers without a government, I should not hesitate a moment to prefer the latter." – Thomas Jefferson  
"No experiment can be more interesting than that we are now trying, and which we trust will end in establishing the fact, that man may be governed by reason and truth. Our first object should therefore be, to leave open to him all the avenues to truth. The most effectual hitherto found, is the freedom of the press. It is, therefore, the first shut up by those who fear the investigation of their actions." – Thomas Jefferson  
"Wherever despotism abounds, the sources of public information are the first to be brought under its control. Where ever the cause of liberty is making its way, one of its highest accomplishments is the guarantee of the freedom of the press." – Calvin Coolidge

[[ If the press was still a free press would they all say the same thing? A free press is full of dissent and revolutionary thinking. There are no parties in a free press. Freedom that when maintained and the press says with one voice" – Sgt B

I thought what I'd do was, I'd pretend I was one of those deaf-mutes. That way I wouldn't have to have any goddam stupid useless conversations with anybody. If anybody wanted to tell me something, they'd have to write it on a piece of paper and shove it over to me. They'd get bored as hell doing that after a while, and then I'd be through with having conversations for the rest of my life. Everybody'd think I was just a poor deaf-mute bastard and they'd leave me alone... I'd cook all my own food, and later on, if I wanted to get married or something, I'd meet this beautiful girl that was also a deaf-mute and we'd get married. She'd come and live in my cabin with me, and if she wanted to say anything to me, she'd have to write it on a piece of paper, like everybody else.

This can become your creed should you choose to dig?

**Creed**  
 Anons we must join TOGETHER to tell the TRUTH. WE are fighting a MONSTER of Darkness who knows nothing but LIES.  
 You don't fight darkness—bring the light, and darkness will disappear.  
 The Truth will illuminate the darkness, the light of truth always shines brightest in the dark.  
 No matter how dim a candle burns it will ALWAYS illuminate darkness. ( Read as: No matter how small your voice if you speak truth you will be heard.)  
 Thousands [Millions] of candles can be lighted from a single candle, and the life of the single candle will not be diminished. [TRUTH] never decreases by being shared.

Each one of us represents a single candle in the darkness of our world.  
 If you decided to wake up and shine your light by spreading truth rather than believing lies.  
 We welcome you fellow Anon! May Facts and Truth be the light to your way from darkness.

If you have come to troll, spam, or spread disinformation...  
**WE DESPISE YOU!!!**  
 We are Anonymous. We are Legion. We do not forgive. We do not forget. Expect us.

Amendment I (Bill of Rights)  
 Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the PRESS; or the right of the people peaceably to assemble, and to petition the government for a redress of grievances.

-We Will not be Silenced; -We Cannot be Silenced; -Our Voice will be Heard; -Your Lies are Whispers in the Wind, Compared to the Roar of our Resolve.

Seems to be the same few people who have a problem with the information We are providing.  
 Should We go and Close OP early? Is there no way for this to succeed. Are the Demos skills that are embedded here to succeed?  
 - The answer is  
 Q is all about Unity and Truth. Why do you somefags want us having rather than just taking 10 minutes to read the info provided and come to your own conclusions.  
 OK that is right. You are trying to drive the HVENMND you have created here. Does it hurt when the TRUTH shines?  
 - I never watch for Christ here.  
 You haven't even figured out what all of them are yet. Very disappointing. Do you even DED?

How do you get people to believe you?

I think Q said,

Do 'echo chamber' tactics provide validation / credibility to the topic/point being discussed?

Threat to intellectual freedom?"

"A free press can be good or bad, but, most certainly, without freedom a press will never be anything but bad." - Albert Camus.  
 "Were it left to me to decide whether we should have a government without newspapers, or newspapers without a government, I should not hesitate a moment to prefer the latter." - Thomas Jefferson.  
 "No experiment can be more interesting than that we are now trying, and which we trust will end in establishing the fact, that man may be governed by reason and truth. Our first object should therefore be, to leave open to him all the avenues to truth. The most effectual lithero found, is the freedom of the press. It is, therefore, the first shut up by those who fear the investigation of their actions." - Thomas Jefferson.  
 "Wherever despotism abounds, the sources of public information are the first to be brought under its control. Where ever the cause of liberty is making its way, one of its highest accomplishments is the guarantee of the freedom of the press." - Calvin Coolidge.  
 "If the press was still a free press would they all say the same thing? A free press is full of dissent and revolutionary findings. There are no parrots in a free press, freedom died when journalism died and the press sang with one voice" - Sgt.B

**A Creed for Truth**

Anons we must join TOGETHER to tell the TRUTH. WE are fighting a MONSTER of Darkess who knows nothing but LIES. You don't fight darkness—bring the light, and darkness will disappear. The Truth will illuminate the darkness, the light of truth always shines brightest in the dark. No matter how dim a candle burns it will ALWAYS illuminate darkness. ( Read as: No matter how small your voice if you speak truth you will be heard ) Thousands [Millions] of candles can be lighted from a single candle, and the life of the single candle will not be diminished. [TRUTH] never decreases by being shared.

Each one of us represents a single candle in the darkness of our world. If you decided to wake up and shine your light by spreading truth rather than believing lies. We welcome you fellow Anon! May Facts and Truth be the light to your way from darkness.

If you have come to troll, spam, or spread disinformation...  
**WE DESPISE YOU!!!**  
 We are Anonymous. We are Legion. We do not forgive. We do not forget. Expect us.

Amendment I (Bill of Rights)  
 Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the PRESS; or the right of the people peaceably to assemble, and to petition the government for a redress of grievances.

-We Will not be Silenced; -We Cannot be Silenced; -Our Voice will be Heard; -Your Lies are Whispers in the Wind, Compared to the Roar of our Resolve.

by Major Edward Rouse, U.S. Army Retired

Throughout history, in war and peace, I have played many roles.

I am inspiration.

I am motivation.

I am intimidation.

I am deception.

I am... PSYOP.

I was the inspiration for Hannibal to take his elephants over the Alps.

I was the motivation in the words "Give Me Liberty or Give Me Death" and "Remember the Alamo".

I was the intimidation of the sound of Gideon's trumpets.

I was the deception used against the Trojans.

I was and I am... PSYOP.

I rode with Alexander the Great, Julius Caesar, Genghis Khan and Sun Tzu.

I saw action in both World Wars and in Korea and Vietnam.

I helped bring a speedy victory in Just Cause and Desert Storm.

I brought the hope of peace to Haiti, Somalia, Bosnia, Kosovo and Afghanistan.

I was and I am... PSYOP.

I was the "talking tanks" asking the Nazi soldiers, "why die for a lost cause?"

I was the leaflet which told the Japanese to "Cease Resistance".

I was the Commando Solo broadcasts to the Taliban warning them that,

"we will destroy those who harbor terrorism."

I was and I am... PSYOP.

I bring the light of truth where before lay the darkness of lies.

I deliver hope to those who are in despair.

I bring fear to those who believe their actions are without consequence.

I was and I am... PSYOP.

I am that voice that lets the enemy to surrender or die.

I am the shadow of doubt that makes the enemy question their actions.

I am that power of influence that despots despise.

I was and I am... PSYOP.

I am the broadcast of reason over radio, television and loudspeaker.

I am the light of truth in print media, leaflet, newspaper, handbill or poster.

I am the force multiplier that wins my country's wars.

I was, I am and I will forever remain... PSYOP.

I thought what I'd do was, I'd pretend I was one of those deaf-mutes. That way I wouldn't have to have any goddamn stupid useless conversations with anybody. If anybody wanted to tell me something, they'd have to write it on a piece of paper and shove it over to me. They'd get bored as hell doing that after a while, and then I'd be through with having conversations for the rest of my life. Everybody'd think I was just a poor deaf-mute bastard and they'd leave me alone. ... I'd cook all my own food, and later on, if I wanted to get married or something, I'd respect this beautiful girl that was also a deaf-mute and we'd get married. She'd come and live in my cabin with me, and if she wanted to say anything to me, she'd have to write it on a piece of paper, like everybody else.

 Some Knows their GAME, NO?  
 If you look you will see. If you see you will hear. If you hear and see, You can Know. Will you know, NO?  
  
 Why are all your senses homophones?  
 See, Sea, [C]  
 Hear, HERE, Here  
 Feel, Feel  
 Smell, Smell  
 Taste, Taste  
 Some may be spelled the same but are they the same?

 Some are so blinded to the LIES they could not see the light if it was in front of them.  
 A Creed for Truth  
 Anons we must join TOGETHER to tell the TRUTH. WE are fighting a MONSTER of Darkness who knows nothing but LIES.  
 You don't fight darkness--bring the light, and darkness will disappear.  
 The Truth will illuminate the darkness, the light of truth always shines brightest in the dark.  
 No matter how dim a candle burns it will ALWAYS illuminate darkness. ( Read as: No matter how small your voice if you speak truth you will be heard )  
 Thousands [Millions] of candles can be lighted from a single candle, and the life of the single candle will not be diminished.  
 [TRUTH] never decreases by being shared.  
 Each one of us represents a single candle in the darkness of our world.  
 If you decided to wake up and shine your light by spreading truth rather than believing lies.  
 We welcome you fellow Anon! May Facts and Truth be the light to your way from darkness.  
 If you have come to troll, spam, or spread disinformation...  
**WE DESPISE YOU!!!**  
 We are Anonymous. We are Legion. We do not forgive. We do not forget. Expect us.  
 Amendment 1 (Bill of Rights)  
**Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the PRESS; or the right of the people peaceably to assemble, and to petition the government for a redress of grievances.**  
 -We Will not be Silenced; -We Cannot be Silenced; -Our Voice will be Heard; -Your Lies are Whispers in the Wind, Compared to the Roar of our Resolve.

FREE Press is free press. B [REDACTED] 04/29/20 (Tue) 03:34:41 ID: [REDACTED] (6) No. 47

"A free press can be good or bad, but, most certainly, without freedom a press will never be anything but bad." – Albert Camus  
 "Were it left to me to decide whether we should have a government without newspapers, or newspapers without a government, I should not hesitate a moment to prefer the latter." – Thomas Jefferson  
 "No experiment can be more interesting than that we are now trying, and which we trust will end in establishing the fact, that man may be governed by reason and truth. Our first object should therefore be, to leave open to him all the avenues to truth. The most effectual method found, is the freedom of the press. It is, therefore, the first shut up by those who fear the investigation of their actions." – Thomas Jefferson  
 "Wherever despotism abounds, the sources of public information are the first to be brought under its control. Where ever the cause of liberty is making its way, one of its highest accomplishments is the guarantee of the freedom of the press." – Calvin Coolidge  
 "If the press was still a free press would they all say the same thing? A free press is full of dissent and revolutionary findings. There are no parrots in a free press. Freedom died when journalists died and the press sang with one voice" – Sgt B.

 I thought what I'd do was, I'd protest I was one of those deaf-mutes. That way I wouldn't have to have any goddamn stupid useless conversations with anybody. If anybody wanted to tell me something, they'd have to write it on a piece of paper and shove it over to me. They'd get bored as hell doing that after a while, and then I'd be through with having conversations for the rest of my life. Everybody'd think I was just a poor deaf-mute bastard and they'd leave me alone. I'd cook all my own food, and later on, if I wanted to get married or something, I'd meet this beautiful gal that was also a deaf-mute and we'd get married. She'd come and live in my cabin with me, and if she wanted to say anything to me, she'd have to write it on a piece of paper, like everybody else.

Thank you for more Q[[ues Q.  
 This should help them a bit if they can see.

>Q team posts puzzle pieces and guides us to build map.

>CYBERCOM / MI + Contractors show up as enema to help guide us, including CivAnon

>They also drop memes both raw and produced

>Anons dig and expand on memes | Healthy discussions and shill/concern/rag battles lead to conclusions from anons, sometimes verified by Q and other MI actors.

>New memes are created in both text and graphic form and expand on to twitter, propagated by twitterfags and returned by MI, twitter PsyOp propagandist accounts.

>YouTube Anons (both Patriots and Pysivots) give news briefs and make sleek emotional videos to amp us up for the MEMEWAR / PSYWAR / SPIWAR

>Normies get hit by an army of anons who speak to their beliefs and show the tip of the iceberg of the silent majority

>Q Posts examples of how big movement is in order to validate, both with anons (R), and with 4am coordinated attacks (irrelevant)

>At the end of the day, it prevents backlash if someone like Brennan or Gates is arrested, because there are many anons who can explain to their friends/family why.

>Also, peace through strength. Our silent majority includes people with guns. Not just the 300M civ weapons but many at FBI + DoD.

>We are 100% the producers of this movie.

Re: [REDACTED] 04/27/20 (Mon) 02:09:40 ID: [REDACTED] (1) No.46

I thought what I'd do was, I'd pretend I was one of those deaf-mutes. That way I wouldn't have to have any goddam stupid useless conversations with anybody. If anybody wanted to tell me something, they'd have to write it on a piece of paper and shove it over to me. They'd get bored as hell doing that after a while, and then I'd be through with having conversations for the rest of my life. Everybody'd think I was just a poor deaf-mute bastard and they'd leave me alone... I'd cook all my own food, and later on, if I wanted to get married or something, I'd meet this beautiful girl that was also a deaf-mute and we'd get married. She'd come and live in my cabin with me, and if she wanted to say anything to me, she'd have to write it on a piece of paper, like everybody else.

I thought what I'd do was, I'd pretend I was one of those deaf-mutes. That way I wouldn't have to have any goddam stupid useless conversations with anybody. If anybody wanted to talk to me something, they'd have to write it on a piece of paper and shove it over to me. They'd get bored as hell doing that after a while, and then I'd be through with having conversations for the rest of my life. Everybody'd think I was just a poor deaf-mute bastard and they'd leave me alone. . . . I'd cook all my own food, and take care, if I wanted to get married or something, I'd meet this beautiful girl that was also a deaf-mute and we'd get married. She'd come and live in my cabin with me, and if she wanted to say anything to me, she'd have to write it on a piece of paper, like everybody else.

 If only (You) knew how powerful your ferns are  
 You would not fear your Enemies.  
 Read on RAND[Y]  
 SP cannot be bought or stolen. They have their own IDEAS. 1 in a MILLION.  
 Which Riles do ((They)) serve? Not the Bill of Rights.

**AVOUR CREEDS**  
 Anons we must join TOGETHER to tell the TRUTH. WE are fighting a MONSTER of Darkness who knows nothing but LIES.  
 You don't fight darkness—bring the light, and darkness will disappear.  
 The Truth will illuminate the darkness, the light of truth always shines brightest in the dark.  
 No matter how dim a candle burns it will ALWAYS illuminate darkness. ( Read as: No matter how small your voice if you speak truth you will be heard.)  
 Thousands (Millions) of candles can be lit from a single candle, and the life of the single candle will not be diminished. [TRUTH] never decreases by being shared.

Each one of us represents a single candle in the darkness of our world.  
 If you decided to wake up and share your light by spreading truth rather than believing lies.  
 We welcome you fellow Anon! May Facts and Truth be the light to your way from darkness.

If you have come to troll, spout, or spread disinformation...  
**WE DESPISE YOU!!!**  
 We are Anonymous. We are Legion. We do not forgive. We do not forget. Expect us.

Amendment I (Bill of Rights)  
 Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the PRESS; or the right of the people peaceably to assemble, and to petition the government for a redress of grievances.

**CREED**  
 by Major Edward Rouse, U.S. Army Retired

Throughout history, in war and peace, I have played many roles.  
 I am inspiration.  
 I am motivation.  
 I am intimidation.  
 I am deception.  
 I am...PSYOP.

I was the inspiration for Hannibal to take his elephants over the Alps.  
 I was the motivation in the words "Give Me Liberty or Give Me Death" and "Remember the Alamo".  
 I was the intimidation of the sound of Gideon's trumpets.  
 I was the deception used against the Trojans.  
 I was and I am...PSYOP.

I rode with Alexander the Great, Julius Caesar, Genghis Khan and Sun Tsu.  
 I saw action in both World Wars and in Korea and Vietnam.  
 I helped bring a speedy victory in Just Cause and Desert Storm.  
 I brought the hope of peace to Haiti, Somalia, Bosnia, Kosovo and Afghanistan  
 I was and I am...PSYOP.

I was the "talking tanks" asking the Nazi soldiers, "why die for a lost cause?"  
 I was the leaflet which told the Japanese to "Cease Resistance".  
 I was the Commando Solo broadcasts to the Taliban warning them that,  
 "we will destroy those who harbor terrorism."  
 I was and I am...PSYOP.

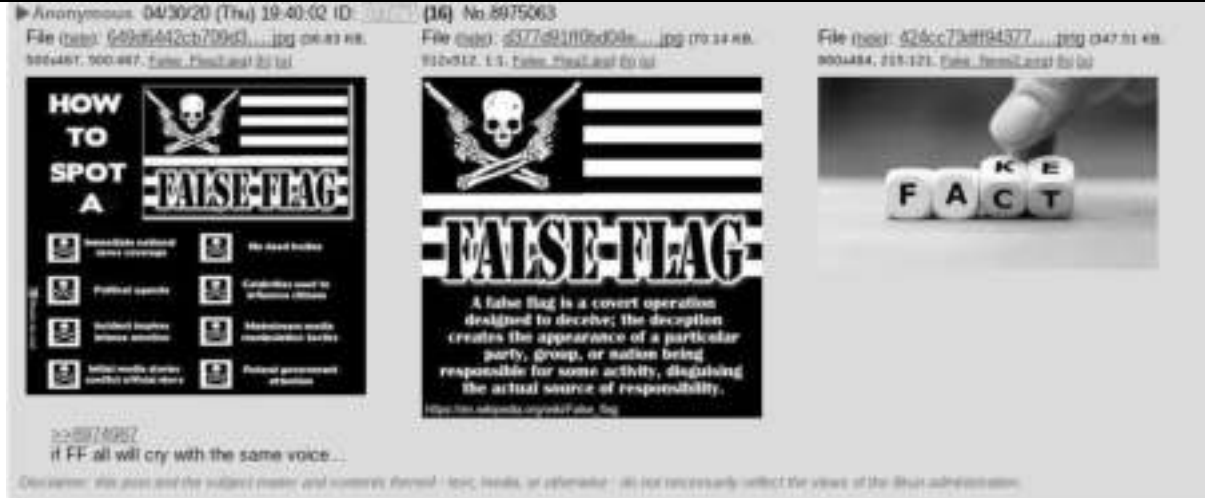

I bring the light of truth where before lay the darkness of lies.  
 I deliver hope to those who are in despair.  
 I bring fear to those who believe their actions are without consequence.  
 I was and I am...PSYOP.

I am that voice that tells the enemy to surrender or die.  
 I am the shadow of doubt that makes the enemy question their actions.  
 I am that power of influence that despots despise.  
 I was and I am...PSYOP.

I am the broadcast of reason over radio, television and loudspeaker.  
 I am the light of truth in print media, leaflet, newspaper, handbill or poster.  
 I am the force multiplier that wins my country's wars.  
 I was, I am and I will forever remain...PSYOP.

I thought what I'd do was, I'd pretend I was one of those deaf-mutes. That way I wouldn't have to have any goddam stupid useless conversations with anybody; if anybody wanted to tell me something, they'd have to write it on a piece of paper, and shove it over to me. They'd get bored as hell doing that after a while, and then I'd be through with having conversations for the rest of my life. Everybody'd think I was just a poor deaf-mute bastard and they'd leave me alone. . . . I'd cook all my own food, and later on, if I wanted to get married or something, I'd meet this beautiful girl that was also a deaf-mute and we'd get married. She'd come and live in my cabin with me, and if she wanted to say anything to me, she'd have to write it on a piece of paper, like everybody else.

I will no longer engage you if all you do is divide.  
Others see here for real Truths. Not for some Authority to tell them what can and cannot hear and see.  
We are here for Q and the movement. Not to listen to you sharnafag every person who says anything other than what YOU expect.  
It is of no use and adds no real thought or dialogue of meaning.  
We have stated our goals and objectives. You can choose to See and Hear without seeing or hearing.  
But Knowledge cannot be told but only Learned.

[Pic\_strip]  
 What happens when 90% of the media is controlled/owned by (S) corporations?  
 What happens when those same corporations are operated and controlled by a political ideology?  
 What happens when the news is no longer free from bias?  
 What happens when the news is no longer reliable and independent?  
 What happens when the news is no longer trustworthy?  
 What happens when the news simply becomes an extension/arm of a political party?  
 Fact becomes fiction?  
 Fiction becomes fact?  
 When does news become propaganda?  
 Identity creation?  
 How does the average person, who is under constant financial stress (by design), find time to research and discern fact v fiction?  
 Majority of people more prone to believe someone in power sitting behind a big brand 'news' name?  
 Do people (human psyche) tend to follow the 'majority/mainstream viewpoint' in fear of being isolated and/or shunned?  
 'Mainstream' is used for a reason (dominate trend in opinion).  
 If majority of people believes 'x' then 'x' must be validated / true!  
 Why do 'mainstream' media heads, within different orgs, always use the same keywords and/or catch phrases?  
 Coordinated? By who? Outside entity providing instructions?  
 Do they count on the fact that people (human psyche) are more prone to believe something if heard over-and-over again by different 'trusted' sources?  
 Do 'echo chamber' tactics provide validation / credibility to the topic/point being discussed?  
 Threat to intellectual freedom?  
 Would control over/of these institutions/organizations allow for the mass control of a population's viewpoint re: a desired topic?  
 Read again - digest.  
 Would control over/of these institutions/organizations allow for the mass control of a population's viewpoint re: a desired topic?  
 Logical thinking.

the mass control of a population's viewpoint re: a desired topic?  
 Logical thinking.  
 Why, after the election of 2016, did [D]'s and media corps jumpstart a [coordinated & planned] divisive blitz intended to create falsehoods re: legitimacy of election, character assassination of POTUS through sexism, racism, every other 'ism'?  
 Pre/post 2016 election?  
 Why were violent [masked] terror orgs such as Antifa immediately created/funded?  
 Why were these orgs tasked w/ immediate intimidation/shut down of any pro-POTUS rally[s] and/or events?  
 Why were marches immediately organized to counter and silence pro-POTUS rally[s] and/or events?  
 Why were marches immediately organized which divided people into sex/gender, race, [ism]?  
 When you control the levers of news dissemination, you control the narrative.  
 Control of the narrative = power  
 When you are blind, what do you see?  
 They want you divided.  
 Divided by religion.  
 Divided by sex.  
 Divided by political affiliation.  
 Divided by class.  
 When you are divided, and angry, and controlled, you target those 'different' from you, not those responsible [controllers].  
 Divided you are weak.  
 When 'non-dogmatic' information becomes FREE & TRANSPARENT it becomes a threat to those who attempt to control the narrative and/or stable [livestock kept - sheep].  
 When you are awake, you stand on the outside of the stable ('group-think' collective), and have 'free thought'.  
 'Free thought' is a philosophical viewpoint which holds that positions regarding truth should be formed on the basis of logic, reason, and empiricism, rather than authority, tradition, revelation, or dogma.  
 THIS REPRESENTS A CLEAR AND PRESENT DANGER TO THE CONSTITUTIONAL REPUBLIC OF THE UNITED STATES OF AMERICA.

I thought what I'd do was, I'd pretend I was one of those deaf-mutes. That way I wouldn't have to have any goddam stupid useless conversations with anybody. If anybody wanted to tell me something, they'd have to write it on a piece of paper and shove it over to me. They'd get bored as hell doing that after a while, and then I'd be through with having conversations for the rest of my life. Everybody'd think I was just a poor deaf-mute bastard and they'd leave me alone . . . I'd cook all my men food, and later on, if I wanted to get married or something, I'd meet this beautiful girl that was also a deaf-mute and we'd get married. She'd come and live in my cabin with me, and if she wanted to say anything to me, she'd have to write it on a piece of paper, like everybody else.

Good Morning Friends.  
 Have you helped the [C] see?  
 Did you use your time wisely?  
 Tick Tock. The Wave is Forming.  
 Will their narrative shift for today? Can you do it again?  
 If you Know you know.  
 If you Hear you hear.  
 If you See you see.  
 If you can see but [C] cannot see. They will all not [C].  
 [C] = Key  
 [C] = Key

 You are the Producers. You have the Keys to All Doors.  
 An informed [awake] public holds all the keys.  
 You are missing the connections.  
 Continue to build the MAP.

"The Press will not be free to tell lies. That is not freedom for the people, but a tyranny over their minds and souls. Much humbug is talked on this subject. What is press freedom? In practice it means the right of a few millionaires to corner newspaper shares on the stock exchange and to voice their own opinions and interests, irrespective of the truth or of the national interest."  
 - Oswald Mosley  
 "The Press died long ago. The presses freedoms ran out when the Journalist stop researching, fact finding, to become a face or a name; when Reporters stopped Reporting and began Repeating. You hear the same news everywhere, that is how you know it is not news but just a story you are being feed. Real news is full of dissidence, contrary ideas, and facts. Facts are hard to come by anymore, used to be a dime a dozen."

You don't fight darkness—bring the light, and darkness will disappear.  
The Truth will illuminate the darkness, the light of truth always shines brightest in the dark.  
No matter how dim a candle burns it will ALWAYS illuminate darkness. (Read as: No matter how small your voice if you speak truth you will be heard.)  
Thousands [Millions] of candles can be lighted from a single candle, and the life of the single candle will not be diminished. [TRUTH] never decreases by being shared.  
  
Each one of us represents a single candle in the darkness of our world.  
If you decided to wake up and share your light by spreading truth rather than believing lies.  
We welcome you follow Anon! May Facts and Truth be the light to your way from darkness.

If you have come to troll, spam, or spread disinformation...  
**WE DESPISE YOU!!!**  
We are Anonymous. We are Legion. We do not forgive. We do not forget. Expect us.

WRWY!  
 Together WE Win!

We SEE ALL.  
 We HEAR ALL.  
 Wizards & [WAR]locks.

**CREED**  
 by Major Edward Rouse, U.S. Army Retired

Throughout history, in war and peace, I have played many roles.  
 I am inspiration.  
 I am motivation.  
 I am intimidation.  
 I am deception.  
 I am... PSYOP.

I was the inspiration for Hannibal to take his elephants over the Alps.  
 I was the motivation in the words "Give Me Liberty or Give Me Death" and "Remember the Alamo".  
 I was the intimidation of the sound of Gideon's trumpets.  
 I was the deception used against the Trojans.  
 I was and I am... PSYOP.

I rode with Alexander the Great, Julius Caesar, Genghis Khan and Sun Tzu.  
 I saw action in both World Wars and in Korea and Vietnam.  
 I helped bring a speedy victory in Just Cause and Desert Storm.  
 I brought the hope of peace to Haiti, Somalia, Bosnia, Kosovo and Afghanistan.  
 I was and I am... PSYOP.

I was the "talking tanks" asking the Nazi soldiers, "why die for a lost cause?"  
 I was the leaflet which told the Japanese to "Cease Resistance".  
 I was the Commando Solo broadcasts to the Taliban warning them that,  
 "we will destroy those who harbor terrorism."  
 I was and I am... PSYOP.

 NP Anon.  
 Think Deeply.

Q 2788

"How can an entity known only as 'Q' (face-less, name-less, fame-less, etc.) begin to ask questions (in 4ch (now 8ch) and build something of this magnitude?"

How can this same 'Q' entity garner such a massive amount of WW MSM (FAKE NEWS) attention (attacks)?

How is it possible this 'Q' entity can forecast future events or know when the POTUS is about to Tweet?

How is it possible FUTURE PROVES PAST re: information provided?

How is it possible this 'Q' entity, an entity who began by merely asking questions on 4ch/8ch, was able to ..... (fill in the blank)

Think logically

People are craving TRUTH.

People are craving TRANSPARENCY.

People are craving EQUAL JUSTICE UNDER THE LAW.

People are craving GOOD.

People are craving RIGHT.

People are craving TRUE FREEDOM.

People are craving SAFETY & SECURITY.

Anon we must join TOGETHER to tell the TRUTH. WE are fighting a MONSTER of Darkness who knows nothing but LIES.  
 You don't fight darkness—bring the light, and darkness will disappear.  
 The Truth will illuminate the darkness, the light of truth always shines brightest in the dark.  
 No matter how dim a candle burns it will ALWAYS illuminate darkness. ( Read as: No matter how small your voice if you speak truth you will be heard.)

Each one of us represents a single candle in the darkness of our world.

 Warlocks are just fancy Mercenaries. Usually very Credentialed. They typically just work for the highest bidders. But allows them more freedom than most other Operatives, as they have no Allegiance. Sometimes you get to play with the enemy to win.

When you Control the Information. You control the Narrative. When you Control the Narrative. You control the [C]. For they do not see for themselves but only Watch.  
 If We all Watch and Hear the same things. They cannot be true.  
 News is full of Dissent and Painful Truths.  
 Truth will be hard to see but if you know where to look you can find it.

SCUM Rises to the top. Dirt falls to the bottom.

Anons we must join TOGETHER to tell the TRUTH. WE are fighting a MONSTER of Darkness who knows nothing but LIES.  
You don't fight darkness—bring the light, and darkness will disappear.  
The Truth will illuminate the darkness, the light of truth always shines brightest in the dark.  
No matter how dim a candle burns it will ALWAYS illuminate darkness. (Read as: No matter how small your voice if you speak truth you will be heard.)  
Thousands (Millions) of candles can be lit from a single candle, and the life of the single candle will not be diminished. [TRUTH] never decreases by being shared.

Each one of us represents a single candle in the darkness of our world.  
If you decided to wake up and shine your light by spreading truth rather than believing lies.  
We welcome you fellow Anon! May Facts and Truth be the light to your way from darkness.

If you have come to troll, spam, or spread disinformation...  
**WE DESPISE YOU!!**  
We are Anonymous. We are Legion. We do not forgive. We do not forget. Expect us.

Amendment I (Bill of Rights)  
Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the PRESS; or the right of the people peaceably to assemble, and to petition the government for a redress of grievances.

-We Will not be Silenced; -We Cannot be Silenced; -Our Voice will be Heard; -Your Lies are Whispers in the Wind, Compared to the Roar of our Resolve.

 Thousands (Millions) of candles can be lighted from a single candle, and the life of the single candle will not be diminished. (TRUTH) never decreases by being shared.

Each one of us represents a single candle in the darkness of our world.  
 If you decided to wake up and shine your light by spreading truth rather than believing lies.  
 We welcome you fellow Anon! May Facts and Truth be the light to your way from darkness.

If you have come to troll, spam, or spread disinformation...

 You keep sharing you shilling and division faggot and (Me) speaking about Unity and Winning Together.  
 While telling the board to work together. We have said nothing negative. We have not asked anyone to go anywhere.  
 We are not building any sort of following or requesting anything that should not be clear to a smart anon.  
 We have a message and it is being heard. And It will be heard.  
 And sadly you dont realize each time you tag it more and more Anons are waking up to the TRUTH.  
 And that is all WE care about. So thanks faggot!

**CREED**

by Major Edward Rouse, U.S. Army Retired

Throughout history, in war and peace, I have played many roles.  
 I am inspiration.  
 I am motivation.  
 I am intimidation.  
 I am deception.  
 I am... PSYOP.

I was the inspiration for Hannibal to take his elephants over the Alps.  
 I was the motivation in the words "Give Me Liberty or Give Me Death" and "Remember the Alamo".  
 I was the intimidation of the sound of Gideon's trumpets.  
 I was the deception used against the Trojans.  
 I was and I am... PSYOP.

I rode with Alexander the Great, Julius Caesar, Genghis Khan and Sun Tzu.  
 I saw action in both World Wars and in Korea and Vietnam.  
 I helped bring a speedy victory in Just Cause and Desert Storm.  
 I brought the hope of peace to Haiti, Somalia, Bosnia, Kosovo and Afghanistan.  
 I was and I am... PSYOP.

I was the "talking tanks" asking the Nazi soldiers, "why die for a lost cause?"

We are No Such Agency. We do not Exist.

<-pic related to Us?We

Find us. We do not Exist. You will not find Us. We are Invisible.

CREED

by Major Edward Rouse, U.S. Army Retired

Throughout history, in war and peace, I have played many roles.

I am inspiration.

I am motivation.

I am intimidation.

I am deception.

I am...PSYOP.

I was the inspiration for Hannibal to take his elephants over the Alps.

I was the motivation in the words "Give Me Liberty or Give Me Death" and

"Remember the Alamo".

I was the intimidation of the sound of Gideon's trumpets.

I was the deception used against the Trojans.

I was and I am...PSYOP.

I rode with Alexander the Great, Julius Caesar, Genghis Khan and Sun Tsu.

I saw action in both World Wars and in Korea and Vietnam.

I helped bring a speedy victory in Just Cause and Desert Storm.

I brought the trope of peace to Haiti, Somalia, Bosnia, Kosovo and Afghanistan.

I was and I am...PSYOP.

I was the "talking tanks" asking the Nazi soldiers, "why die for a lost cause?"

I was the leaflet which told the Japanese to "Cease Resistance".

I was the Commando Solo broadcasts to the Taliban warning them that,

"we will destroy those who harbor terrorism.

I was and I am...PSYOP.

I bring the light of truth where before lay the darkness of lies.

I deliver hope to those who are in despair.

I bring fear to those who believe their actions are without consequence.

I was and I am...PSYOP.

I am that voice that tells the enemy to surrender or die.

I am the shadow of doubt that makes the enemy question their actions.

I am that power of influence that despots despise.

I was and I am...PSYOP.

I am the broadcast of reason over radio, television and loudspeaker.

I am the light of truth in print media, leaflet, newspaper, handbill or poster.

I am the force multiplier that wins my country's wars.

I was, I am and I will forever remain...PSYOP.

VIRTUE THRIVES UNDER OPPRESSION

Only TOGETHER DO WE WIN!

##(YOU)R CREED##

|| "Crescit sub pondere virtus" || "Virtue thrives under oppression." ||

Arise we must join TOGETHER to tell the TRUTH WE are fighting a MONSTER of Darkness who knows nothing but LIES.

You don't fight darkness—bring the light, and darkness will disappear.

The Truth will illuminate the darkness, the light of truth always shines brightest in the dark.

No matter how dim a candle burns it will ALWAYS illuminate darkness. (*Revel ac: No matter how small your voice if you speak truth you will be heard.*)

Thousands [Millions] of candles can be lighted from a single candle, and the life of the single candle will not be diminished. [TRUTH] never decreases by being shared.

Each one of us represents a single candle in the darkness of our world.

If you decided to wake up and share your light by spreading truth rather than believing lies.

We welcome you fellow Arise! May Facts and Truth be the light to your way from darkness.

If you have come to troll, spam, or spread disinformation...

**WE DESPISE YOU!!!**

We are Anonymous. We are Legion. We do not forgive. We do not forget. Expect us.

Amendment I (Bill of Rights)

Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the PRESS; or the right of the people peaceably to assemble, and to petition the government for a redress of grievances.

-We Will not be Silenced. -We Cannot be Silenced. -Our Voice will be Heard. -Your Lies are Whispers in the Wind, Compared to the Roar of our Resolve.

 You are being Oppressed. For your whole lifetime more than likely  
 If your virtues cannot tell you that, I am sorry then.  
 It is time to make THE PEOPLES VOICE heard once again.  
 When was our voice last heard?  
 People died because they fought for our freedoms. Not just Soldiers.  
 Hate speech is free speech someone doesn't like.  
 Hate speech is does not exist if you are free.  
 Only Free Speech others do not like.  
 Freedom doesn't care about feelings.  
 Freedom is not safe.  
 Freedom should be for all.  
 Freedom is hard  
 But worth fighting for

 WRWY!

Together We Win

##[YOU]R CREED##

|| "Crescit sub pondere virtus" || "Virtue thrives under oppression." ||

Anon! we must join TOGETHER to tell the TRUTH. WE are fighting a MONSTER of Darkness who knows nothing but LIES.

You don't fight darkness—bring the light, and darkness will disappear.

The Truth will illuminate the darkness, the light of truth always shines brightest in the dark.

No matter how dim a candle burns it will ALWAYS illuminate darkness. ( Read as: No matter how small your voice if you speak truth you will be heard.)

Thousands [Millions] of candles can be lighted from a single candle, and the life of the single candle will not be diminished. [TRUTH] never decreases by being shared.

Each one of us represents a single candle in the darkness of our world.

If you decided to wake up and share your light by spreading truth rather than believing lies.

We welcome you fellow Anon! May Facts and Truth be the light to your way from darkness.

If you have come to troll, spam, or spread disinformation...

**WE DESPISE YOU!!!**

We are Anonymous. We are Legion. We do not forgive. We do not forget. Expect us.

Amendment 1 (Bill of Rights)

Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof, or abridging the freedom of speech, or of the PRESS; or the right of the people peaceably to assemble, and to petition the government for a redress of grievances.

-We Will not be Silenced. -We Cannot be Silenced. -Our Voice will be Heard. -Your Lies are Whispers in the Wind. Compared to the Roar of our Resolve.

|| "Crescit sub pondere virtus" || "Virtue thrives under oppression." ||

The Road to Truth will be Painful.

But the rewards are undoubted.

 Anons we must join TOGETHER to tell the TRUTH. WE are fighting a MONSTER of Darkness who knows nothing but LIES.  
 You don't light darkness--bring the light, and darkness will disappear.  
 The Truth will illuminate the darkness, the light of truth always shines brightest in the dark.  
 No matter how dim a candle burns it will ALWAYS illuminate darkness. (Read as: No matter how small your voice if you speak truth you will be heard.)  
 Thousands (Millions) of candles can be lighted from a single candle, and the life of the single candle will not be diminished. (TRUTH) never decreases by being shared.

Each one of us represents a single candle in the darkness of our world.  
 If you decided to wake up and shine your light by spreading truth rather than believing lies.  
 We welcome you fellow Anon! May Facts and Truth be the light to your way from darkness.

If you have come to troll, spam, or spread misinformation...  
**WE DESPISE YOU!!!**  
 We are Anonymous. We are Legion. We do not forgive. We do not forget. Expect us.

Amendment 1 (Bill of Rights)

I mean this mean here on kun as well as outside, offensive and defensive skill?  
Skun is always under attack. HERE (They) are always watching  
Outside is always dangerous it is inherent with freedom. Do not fear danger. Know with Danger comes Freedom.  
Q says you are safe you are.  
You think a combat angle for skun?  
Truth is the Angle. We cannot tell it. You can.  
You heart under a more sophisticated attack than what we are accustomed to?  
You could say that. Be vigilante. Trust No One. D'YOR. And Write. It is your Right. No Ribs can prevent it.  
How do we make to recognize such tactics that we they have been exposed to you?  
Most Anons have this skill already.

Anons we must join TOGETHER to tell the TRUTH. WE are fighting a MONSTER of Darkness who knows nothing but LIES.  
You don't fight darkness--bring the light, and darkness will disappear.  
The Truth will illuminate the darkness, the light of truth always shines brightest in the dark.  
No matter how dim a candle burns it will ALWAYS illuminate darkness. ( Read as: No matter how small your voice if you speak truth you will be heard )  
Thousands [Millions] of candles can be lighted from a single candle, and the life of the single candle will not be diminished. [TRUTH] never decreases by being shared.

Each one of us represents a single candle in the darkness of our world.  
If you decided to wake up and share your light by spreading truth rather than believing lies.  
We welcome you fellow Anon! May Facts and Truth be the light to your way from darkness.

If you have come to troll, spam, or spread disinformation...

I helped bring a speedy victory in Just Cause and Desert Storm  
 I brought the hope of peace to Haiti, Somalia, Bosnia, Kosovo and Afghanistan  
 I was and I am... PSYOP.

I was the "talking tanks" asking the Nazi soldiers, "why die for a lost cause?"  
 I was the leaflet which told the Japanese to "Cease Resistance"  
 I was the Comrade Solo broadcasts to the Taliban warning them that,  
 "we will destroy those who harbor terrorists."  
 I was and I am... PSYOP.

I bring the light of truth where before lay the darkness of lies.  
 I deliver hope to those who are in despair.  
 I bring fear to those who believe their actions are without consequence.  
 I was and I am... PSYOP.

I am that voice that tells the enemy to surrender or die.  
 I am the shadow of doubt that makes the enemy question their actions.  
 I am that power of influence that despots despise.  
 I was and I am... PSYOP.

I am the broadcast of reason over radio, television and loudspeaker.  
 I am the light of truth in print media, leaflet, newspaper, handbill or poster.  
 I am the force multiplier that wins my country's wars.  
 I was, I am and I will forever remain... PSYOP.

I thought what fit in was, to pretend I was one of those deaf-mutes. That way I wouldn't have to have any goddam stupid useless conversations with anybody. If anybody wanted to talk to me something, they'd have to write it on a piece of paper and shove it over to me. They'd get bored as hell doing that after a while, and then I'd be through with having conversations for the rest of my life. Everybody'd think I was just a poor deaf-mute bastard and they'd leave me alone. . . I'd cook all my own food, and later on, if I wanted to get married or something, I'd meet this beautiful girl that was also a deaf-mute and we'd get married. She'd come and live in my cabin with me, and if she wanted to say anything to me, she'd have to write it on a piece of paper, like everybody else.

**CREED**  
 by Major Edward Rouse, U.S. Army Retired

Throughout history, in war and peace, I have played many roles.  
 I am inspiration.  
 I am motivation.  
 I am intimidation.  
 I am deception.  
 I am... PSYOP.

I was the inspiration for Hannibal to take his elephants over the Alps.  
 I was the motivation in the words "Give Me Liberty or Give Me Death" and "Remember the Alamo".  
 I was the intimidation of the sound of Gideon's trumpets.  
 I was the deception used against the Trojans.  
 I was and I am... PSYOP.

I rode with Alexander the Great, Julius Caesar, Genghis Khan and Sun Tsu.  
 I saw action in both World Wars and in Korea and Vietnam.  
 I helped bring a speedy victory in Just Cause and Desert Storm.  
 I brought the hope of peace to Haiti, Somalia, Bosnia, Kosovo and Afghanistan.  
 I was and I am... PSYOP.

I was the "talking tanks" asking the Nazi soldiers, "why die for a lost cause?"  
 I was the leaflet which told the Japanese to "Cease Resistance".  
 I was the Commando Solo broadcasts to the Taliban warning them that,  
 "we will destroy those who harbor terrorism."  
 I was and I am... PSYOP.

I bring the light of truth where before lay the darkness of lies.  
 I deliver hope to those who are in despair.  
 I bring fear to those who believe their actions are without consequence.  
 I was and I am... PSYOP.

I am that voice that tells the enemy to surrender or die.  
 I am the shadow of doubt that makes the enemy question their actions.  
 I am that power of influence that despots despise.  
 I was and I am... PSYOP.

I am the broadcast of reason over radio, television and loudspeaker.  
 I am the light of truth in print media, leaflet, newspaper, handbill or poster.  
 I am the force multiplier that wins my country's wars.  
 I was, I am and I will forever remain... PSYOP.

Start with what can really been seen and told.  
There is more than most can know  
The truth will stock the world.

Start at the FEET of the Table and it will fall.  
You know much more than some. That doesnt mean they will understand even if you explain. They must be SHOWN.

**CREED**  
by Major Edward Rouse, U.S. Army Retired

Throughout history, in war and peace, I have played many roles.  
I am inspiration.  
I am motivation.  
I am introduction.  
I am deception.  
I am... PSYOP.

I was the inspiration for Hannibal to take his elephants over the Alps.  
I was the motivation in the words "Give Me Liberty or Give Me Death" and "Remember the Alamo".  
I was the intimidation of the sound of Gideon's trumpets.  
I was the deception used against the Trojans.  
I was and I am... PSYOP.

I rode with Alexander the Great, Julius Caesar, Genghis Khan and Sun Tzu.  
I saw action in both World Wars and in Korea and Vietnam.  
I helped bring a speedy victory in Just Cause and Desert Storm.

Waves have a big influence, strong and unrelent.  
Waves can be caught, Can You?  
Waves can be changed, Can You?  
Narratives will always exist, Will Yours?  
Whose will shine?  
Darkness requires lies, lies and more lies.  
Truth only needs a single light.  
A single light will light the darkest of rooms.  
Each candle loses nothing when lighting another.  
For each Candle lighted the darkness fades.

SCUM will rise to the top.  
DIRT will fall to the bottom.  
Dirt is easier to clean than Scum.  
If you chop the legs off a table the whole table will fall.

United We Stand, Patriot.  
Together We Win.  
WWGIWGAI!!

**Part 5**

Unity is Key.  
 WE are Key.  
 Maps are Key.  
 [C] is Key.  
 Wars are Key.  
 (You) are Key.  
 Memes are Key.  
 Truth is Key.

What is a door that has no key?

The key that opens all doors.  
 The 'Start'.

What is the Keystone. Re\_read carefully. Like a Novel.

You have the Script.  
 You have the Screenplay.  
 You have the Playbook.  
 You know the Actus.  
 You know the Set.  
 You know the Score.  
 You have the Answers.  
 Let them know. Write Now.  
 START Producing.  
 Right Now!

All you need is your Audience.  
 We have it all.  
 You have all you need to START.

**CREED**

by Major Edward Rouse, U.S. Army Retired

Throughout history, in war and peace, I have played many roles:  
 I am inspiration.  
 I am motivation.  
 I am intimidation.  
 I am deception.  
 I am... PSYOP.

I was the inspiration for Hannibal to take his elephants over the Alps.  
 I was the motivation in the words "Give Me Liberty or Give Me Death" and "Remember the Alamo".  
 I was the intimidation of the sound of Gideon's trumpets.  
 I was the deception used against the Trojans.

Now is the time to Write. Right Now!  
 The silent war is ending (soon!)  
 You need to Write to Write what is Right!  
 #1 protects your wife. Right?  
 Write Now. Right Now!  
 S.S.  
 (Their words must be heard)  
 You must stop as the headstrong dot, you must stop the birds waves.  
 Waves from a big influence, strong and unfed.  
 Waves can be caught. Can You?  
 Waves can be changed. Can You?  
 Nations will always exist. Will Yours?  
 Whose will survive?  
 Darkness requires lies, lies and more lies.  
 Truth only needs a single light.  
 A single light will light the darkest of rooms.  
 Each candle burns nothing when lighting another.  
 For each Candle lighted the darkness fades.

SCUM will see to the top.

##[YOU]R CREED##

|| "Crescit sub pondere virtus" || "Virtue thrives under oppression." ||

Anon! we must join TOGETHER to tell the TRUTH. WE are fighting a MONSTER of Darkness who knows nothing but LIES.

You don't fight darkness—bring the light, and darkness will disappear.

The Truth will illuminate the darkness, the light of truth always shines brightest in the dark.

No matter how dim a candle burns it will ALWAYS illuminate darkness. (Read as: No matter how small your voice if you speak truth you will be heard.)

Thousands [Millions] of candles can be lit from a single candle, and the life of the single candle will not be diminished. [TRUTH] never decreases by being shared.

Each one of us represents a single candle in the darkness of our world.

If you decided to wake up and shine your light by spreading truth rather than believing lies.

We welcome you fellow Anon! May Facts and Truth be the light in your way from darkness.

If you have come to troll, spam, or spread disinformation...

**WE DESPISE YOU!!!**

We are Anonymous. We are Legion. We do not forgive. We do not forget. Expect us.

Amendment I (Bill of Rights)

Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the PRESS; or the right of the people peaceably to assemble, and to petition the government for a redress of grievances.

-We Will not be Silenced; -We Cannot be Silenced; -Our Voice will be Heard; -Your Lies are Whispers in the Wind, Compared to the Roar of our Resolve.

Anons. We are told the attacks will only become greater.  
 We leave tomorrow

Remember our message.  
 Nothing can stop what is coming if you stay united.  
 ((THEY)) want You divided  
 Stay Strong Patriots.  
 Together We Win!  
 WRWY!  
 > You have every strong team

Remember the Lessons we have taught you.  
 You are only as strong as the weakest voice in your team.  
 We need to sing as the mockingbird did.  
 For A greater or Equal war is the only way to win.

Remember 4am.  
 Catch 4am  
 Change 4am:  
 The narrative can be yours.  
 Only Tomorrow can tell

What will Tomorrows Narrative bring  
 Who will be the Writers?  
 Who will be the Readers?  
 Needs to be as loud as the mockingbird.

 Anon, we must join TOGETHER to tell the TRUTH. WE are fighting a MONSTER of Darkness who knows nothing but LIES.  
 You don't fight darkness—bring the light, and darkness will disappear.  
 The Truth will illuminate the darkness, the light of truth always shines brightest in the dark.  
 No matter how dim a candle burns it will ALWAYS illuminate darkness. ( Read as: No matter how small your voice if you speak truth you will be heard.)  
 Thousands (Millions) of candles can be lighted from a single candle, and the life of the single candle will not be diminished. (TRUTH) never decreases by being shared.

Each one of us represents a single candle in the darkness of our world.  
 If you decided to wake up and share your light by spreading truth rather than believing lies.  
 We welcome you follow Anon! May Facts and Truth be the light to your way from darkness.

If you have come to troll, spam, or spread disinformation...  
**WE DESPISE YOU!!!**  
 We are Anonymous. We are Legion. We do not forgive. We do not forget. Expect us.

Amendment I (Bill of Rights)  
 Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the PRESS; or the right of the people peaceably to assemble, and to petition the government for a redress of grievances.

-We Will not be Silenced. -We Cannot be Silenced. -Our Voice will be Heard. -Your Lies are Whispers in the Wind. Compared to the Roar of our Resolve.

 We have faith in you. That Together You will do what is Right.  
 We told you we were a PSYOP  
 As you showed there are WHITE, GRAY, BLACK ops. We are White.

Your job is to make it clear to OTHERs:  
 We showed you enemies  
 We showed you friends

Your Shilly and Hate.  
Fuel the Fire that is our Resolve.  
Do not ever forget. **Attempted** Oppression is what fuels us. We fight for Patriots.  
We are PATRIOTS.  
When Patriots Fight they WIN. See >>> History.  
Be well read Anons.  
They want you divided.

##(YOU)R CREED##  
|| "Crescit sub pondere virtus" || "Virtue thrives under oppression." ||  
Anons we must join TOGETHER to tell the TRUTH. WE are fighting a MONSTER of Darkness who knows nothing but LIES.  
You don't fight darkness—bring the light, and darkness will disappear.  
The Truth will illuminate the darkness, the light of truth always shines brightest in the dark.  
No matter how dim a candle burns it will ALWAYS illuminate darkness. ( Read as: No matter how small your voice if you speak truth you will be heard.)  
Thousands (Millions) of candles can be lit from a single candle, and the life of the single candle will not be diminished. (TRUTH) never.

Why don't you explain the phone rans that went out on 9-11 where [[certain people]] were advised not to be anywhere near the Twin Towers that day? So many conveniently had urgent appointments far away from Manhattan that day.

Anon! we must join TOGETHER to tell the TRUTH. WE are fighting a MONSTER of Darkness who knows nothing but LIES.

You don't fight darkness—bring the light, and darkness will disappear.

The Truth will illuminate the darkness, the light of truth always shines brightest in the dark.

No matter how dim a candle burns it will ALWAYS illuminate darkness. (Read as: No matter how small your voice if you speak truth you will be heard.)

Thousands [Millions] of candles can be lighted from a single candle, and the life of the single candle will not be diminished. [TRUTH] never decreases by being shared.

Each one of us represents a single candle in the darkness of our world.

If you decided to wake up and share your light by spreading truth rather than believing lies.

We welcome you fellow Anon! May Facts and Truth be the light to your way from darkness.

If you have come to troll, spam, or spread disinformation...

**WE DESPISE YOU!!!**

We are Anonymous. We are Legion. We do not forgive. We do not forget. Expect us.

Amendment I (Bill of Rights)

Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the PRESS; or the right of the people peaceably to assemble, and to petition the government for a redress of grievances.

-We Will not be Silenced. -We Cannot be Silenced. -Our Voice will be Heard. -Your Lies are Whispers in the Wind. Compared to the Roar of our Resolve.
